For quite some time the social media have been spreading information about the construction of the Cossack Chapel and its responsibility, which are connected with appeals for donations and the implementation of measures for the Memorial Services at the Cossack Cemetery in Lienz. This information only serves to confuse rather than lead to clarification of the actual circumstances of the case.

Thereto the Black Cross would like to state the following:

- The Austrian “Black Cross” (ÖSK) that, according to the statutes, is responsible for both the Cossack Memorial Cemetery and the Cossack Chapel at the Memorial Cemetery, keeps these objects on responsibility and, in cooperation with the Association in Memory of Cossacks Tragedy of the 1st of June, prepares the unique program for the implementation of actions for the Memorial Services, by assigning the date and organizational implementation’s modalities.
- Only the “Black Cross” (ÖSK) is responsible and solely authorized for fund raisings and to collect donations for the purpose of the care of the memorial place “Cossack Memorial Cemetery” respectively the Cossack Chapel in Lienz on the following bank account with the bank details:

Raiffeisen-Landesbank Tirol AG, Bank Account Holder: Österr. Schwarzes Kreuz
